SUBJECT:

DOCKET NO. 2009-55-E - Petition of Duke Energy Carolinas, LLC for an Accounting Order to Defer Certain Environmental Compliance Costs and the Incremental Costs Incurred from the Purchase of a Portion of Saluda River's Ownership in the Catawba Nuclear Station - Discuss with the Commission the Approval of the Petition of Duke Energy Carolinas, LLC for an Accounting Order to Defer Certain Environmental Compliance Costs and the Incremental Costs Incurred from the Purchase of a Portion of Saluda River's Ownership in the Catawba Nuclear Station.

COMMISSION ACTION:

Approve the petition of Duke Energy Carolinas, LLC for an Accounting Order to defer until the Company's next general rate case certain environmental compliance costs associated with the addition of the Allen Steam Station flue gas desulfurization equipment and the incremental costs incurred from the purchase of a portion of Saluda River's ownership in the Catawba Nuclear Station. This deferral will not result in an increase in any of Duke's retail rates or prices at this time. My motion is with the understanding that ORS will monitor the deferral amounts.
